

KI SPEECH THERAPY RESOURCE GUIDE

Thank you for your interest in the KI Speech Community. The following Resource Guide will help you see a brief overview of all the current resources available inside the KI Speech Community Membership.

These are full resources that are accessible to all members instantly upon enrollment.

This guide will give you more of an idea of what is available to you inside the community resource library.

PHONOLOGY

Minimal PAIRS
ACTIVITY BOOKS
BY KRISTIN IMMICKE, MS, CCC-SLP

BUNDLE

Includes 10 different booklets - Black & White and Color
Final consonant deletion, fronting, and stopping

This is a bundle of the activity booklets for:

Final Consonant Deletion - 4 booklets

Fronting - 2 booklets

Stopping - 4 booklets

Using minimal pairs is a great way to work on stopping and production of /s,z/. This stopping phonology book combines letter knowledge, picture cues, and minimal pairs to help your session address all areas of treatment and some literacy.

Practice:

- Identifying letters that make the target sound
- Identifying pictures that begin with the target sound
- Use minimal pairs for auditory discrimination
- Practice production of target sound using pictures and letters

FRONTING INTERACTIVE BOOK

Let's practice finding all of the letters that make the "coughing" sound. Click on all of the **BACK** sounds on this page.

C D C K
K P C K
