

KI SPEECH THERAPY RESOURCE GUIDE

Thank you for your interest in the KI Speech Community. The following Resource Guide will help you see a brief overview of all the current resources available inside the KI Speech Community Membership.

These are full resources that are accessible to all members instantly upon enrollment.

This guide will give you more of an idea of what is available to you inside the community resource library.

NO PRINT RESOURCES

This pdf file includes 15 sound loaded articulation scenes for the following phonemes:

/t, d, k, g, f, v, s, z, l, r, th, sh, ch, dj/ and s-blends
The pages are full color and intended to be used as a no print resource on a tablet, computer, smart board, and/or teletherapy platform.

To use as a no print, download the file to your computer or tablet. You may do this in iBooks, or in any pdf viewer (such as Adobe Acrobat). To navigate from page to page, swipe or use the page up/down feature in your pdf viewer.

Suggested Use

These sound loaded scenes are great for working on articulation carryover in connected speech. Use the suggested prompts to elicit target words in sentences, stories, or conversation.
